Penalties

We are required by law to charge any applicable penalties.

Failure to file

Partners during the year	Penalty per partner per month	Months late (up to 12)	Total penalty
2	\$255.00	01	\$510.00

When a Partnerships return is filed late, we charge a penalty. The penalty is \$255.00 for each partner during the year, for each month the return is late, for up to 12 months, per IRC Section 6698.

Small partnership penalty relief

Revenue Procedure 84-35, provides that reasonable cause for filing late will be presumed, and the penalty waived, if **all** of the following criteria are met:

- The partnership has no more than 10 partners. (Two partners filing a joint return can be counted as a single partner.)
- Every partner is an individual or the estate of a deceased individual.
- Every partner filed a timely income tax return where all partnership distributive items were properly reported.
- Every partner's percentage share is the same for every distributive partnership item for that partner. (E.g., if a partner receives a 20% share of the partnership's net income, that partner must also receive a 20% share of all other partnership items.)
- The partnership must not have made an election to be subject to consolidated audit procedures that is still in effect.

If the partnership qualifies for relief under this provision, return this notice with your request asking for relief under Rev. Proc. 84-35. The request must specifically state the partnership meets each of the criteria above, and it must be signed under penalties of perjury.

Removal or reduction of penalties

We understand that circumstances—such as a serious illness or injury, a family member's death, or loss of financial records due to natural disaster—may make it difficult for you to meet your taxpayer responsibility in a timely manner.

We can generally process your request for penalty removal or reduction quicker if you contact us at the number listed above with the following information:

- Identify which penalty charges you would like us to reconsider (e.g., 2016 late filing penalty).
- For each penalty charge, explain why you believe it should be reconsidered.

If you write us, include a signed statement and supporting documentation for penalty abatement request.

We'll review your request and let you know whether we accept your explanation as reasonable cause to reduce or remove the penalty charge(s).
